EXPERTISE & EXCELLENCE

The Campus

The campus is located in a verdant and serene atmosphere at the suburban areas of Malur, adjacent to Bangalore urban. In a short span of time from its inception, the college developed into an alluring and picturesque campus with its king-sized and whopping infrastructure raised in the tranquillity of suburbs. The campus life at CCSM is a great blend of dynamism and harmony with its student strength coming from the different spheres of life, culture, place and region.

About us

Christ College of Science and Management, established in 2015, is a private self-financing institution managed by "CARMEL EDUCATION FOUNDATION", formed by the members of Carmel Province of the Carmelites of Mary Immaculate(CMI). CMI congregation owns a great legacy and expertise in imparting quality education with its various schools, colleges, universities and other educational institutions across the globe aiming at the integral development of the society.

The college had been affiliated to Bangalore University from the 2015 to the 2017 admissions and is affiliated to the Bengaluru North University from the 2018 admissions onwards. Envisaged as a centre of learning, CCSM currently provides high quality education in the field of Commerce, Management, Computer Science, Arts and Science. With its steady steps and experience of efficient and dedicated staff, led by a foresighted management, the college is developing into a centre of expertise and excellence.

Our Guiding Light

Christ, the teacher par excellence, is our supreme source of wisdom and guiding light. The institution is dedicated to Jesus Christ, who pours real wisdom into the aspiring minds with their unending quest for knowledge and innovation.

Our Inspiration

We draw inspiration from our Founder, St. Kuriakose Elias Chavara, a great educational visionary and social reformer of the 19th century South India. He was a champion who walked ahead of his time and became instrumental for educational revolution through prescient vision coupled with creativity and integrity.

Vision

Expertise and Excellence: Christ College envisages integral growth of an individual with professional excellence, academic brilliance and moral integrity by offering excellent academic expertise which would equip them to remain competent in the global village.

Mission

Christ College is an academic venture nurtured by copious and exuberant expertise and experience of Carmelite Congregation ensuring innovative academic ambience, creating visionary and patriotic professionals with outstanding academic scholarship upholding noble life principles.

“
LEARNING
IS
CHANGING
FOR A
BRIGHTER
FUTURE
”

PRINCIPAL'S MESSAGE...

In an ever-changing and developing world of immense possibilities, it is important to learn, unlearn and reinvent oneself to attain one's goals. With a blend of modern and traditional methods of imparting knowledge based on values and traditions, Christ College of Science and Management is a centre of excellence and expertise to mould committed future leaders with sense of responsibility towards the society.

Students are motivated to have a questioning mind, enabling them to be critical thinkers and decision-makers apart from the academic excellence which we instigate in them. We believe that change is not sudden but gradual. With hard work, commitment, creativity, continuous improvement, and innovative thinking we are in the path of change. A change which is value based embedded with social sensitivity.

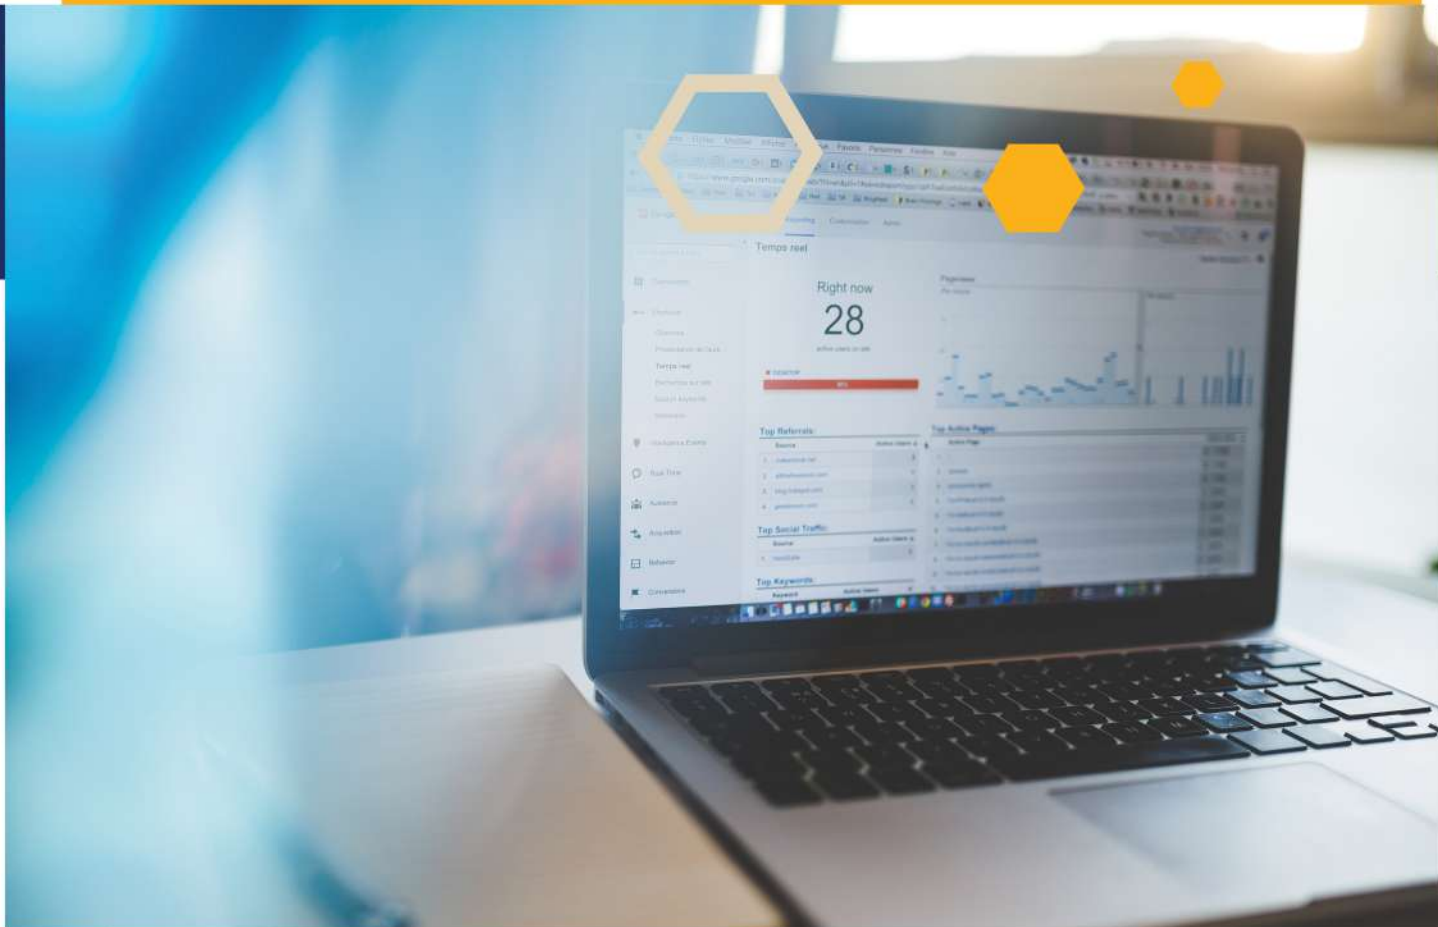

Rooted in values, strengthened with experience and drawing inspiration from St. Kuriakose Elias Chavara and abiding in the grace of our Lord Jesus Christ, this CMI institution focuses on holistic development of its students to take up the challenges of tomorrow and to become global leaders with vision of progressive society.

We wish our students all success in their endeavours.

Christ College of Science and Management (CCSM)

CCSM envisages to impart quality education par excellence to the aspiring youths in the serenity of the rural milieu. Rooted in moral values, strengthened with experience and abiding in the grace of our Lord Jesus Christ, this prestigious institution focuses on academic excellence and holistic development of its students to take up the challenges of tomorrow and to become global leaders with vision of a progressive society.

Fr. Jince George CMI
